

9 years Working at Hutchinson Aerospace & Industry, Inc.

Nichodemus Tetteh, APU Manager for
Compression Injection, Cold Bond, and Paint Booth

We make it **possible**

“I am grateful for the continuous learning opportunities the company provides. ...I am constantly equipped with the knowledge and skills necessary to excel in my role.”

—Nichodemus Tetteh

I want to take a moment to express my deep appreciation and love for working at Hutchinson Aerospace & Industry, Inc. This company has become much more than just a workplace for me; it has become a second home and a source of immense joy.

It's truly remarkable to see how I started as an operator back in November 2014 and gradually progressed through various roles. My dedication and hard work over the past nine years has clearly paid off, leading me to become a setup operator, then the lead for compression injection, and eventually transitioning into the role of setup technician for operations. It's evident that I have continuously strived for excellence in my career with Hutchinson Aerospace & Industry.

Moreover, I take pride in my ability to adapt and take on new challenges. Becoming the lead once again demonstrates my leadership skills and expertise in managing teams effectively. And now, as the APU Manager for Compression Injection, Railroad, HSA, Cold Bond, and Paint Booth, I have no doubt that I will continue to excel in this role as well.

From the very beginning, I have been impressed by the company's commitment to excellence and innovation in the defense industry. The dedication and passion exhibited by our team members is truly inspiring, making every day at work feel like a new opportunity for growth and personal development.

What sets Hutchinson Aerospace & Industry apart is not just the cutting-edge technology we work with or the exciting projects we undertake but also the incredible sense of camaraderie and support within our team. The collaborative nature of our work allows us to learn from each other's expertise, fostering a positive environment that encourages growth and creativity.

I am grateful for the continuous learning opportunities the company provides. Whether it is through comprehensive training programs or attending industry conferences, I am constantly equipped with the knowledge and skills necessary to excel in my role. This commitment to investing in employees' development demonstrates that our company genuinely cares about our professional growth.

I also want to emphasize that I truly appreciate how Hutchinson Aerospace & Industry values work-life balance. The flexible scheduling options enable me to maintain harmony between my personal life and professional responsibilities—something that is not always easy to achieve in today's fast-paced world.

I hope my journey serves as an inspiration to others within the company who aspire to grow professionally. I believe I've continually demonstrated my genuine determination and commitment, and it's clear that Hutchinson Aerospace values individuals like myself who contribute significantly to its success.

In conclusion, working at Hutchinson Aerospace & Industry, Inc., has been an incredibly rewarding experience for me personally and professionally. It is an honor to be part of such an exceptional organization that not only fosters growth but also genuinely cares about its employees' well-being.
