

We make it **possible**

Cab Mounts

Medium & Heavy Duty Trucks

- » Developed in collaboration with OEM engineering teams to meet NVH and ride quality objectives.
- » Specifically designed to handle the demands of commercial vehicle service usage.
- » Geometry and installation customized to address available packaging space.
- » Isolates operator from chassis structure borne noise.
- » Controls cab motion for ride comfort.
- » Rugged and durable with captive/fail-safe design.
- » Tuned stiffness for day cab and sleeper cab offerings.
